

This Song is My Gift to You

Gsus - Am7 - Gsus - Am7 - Dm4

Am  
This song is my gift to you

Dm4 Am  
The first one I gave

Dm4 Am  
A simple little souvenir

G Fma7 G  
That I wanted you to have

Dm4 Am  
The first time you kissed me,

Dm4 Am  
Well, it took me by surprise

Dm4 Am  
I didn't know you felt that way

G Fma7 G  
But the feeling's on the rise

F Em  
And when you came in-to my life

F Em  
The lights, they all turned on

F Em  
I never would have thought so soon

F Cma7 G  
That we could feel so strong

Gsus Am7  
Ba-ba-ba-ba-ba-ba-ba-ba-ba

Gsus Am7 - Dm4  
Ba-ba-ba-ba-ba-ba

Am

The morning sunlight falls on me

Dm4 Am

Still lying in my bed

Dm4 Am

You're something that I'm thankful for

G Fma7 G

'Cause your memory makes me glad

Dm4 Am

And though tomorrow may lies in wait

Dm4 Am

And the days may come to choose

Dm4 Am

To-day's no time to hesitate

G Fma7 G

'Cause there's no way we can lose

F Em

We're like two twigs upon a flood

F Em

Two leaves upon the wind

F Em

The love that sweeps our lives along

F Cma7 G

Will keep us to the end

Gsus Am7
